Flash FTL, File, or Database System

FTL

- Technologies: Mapping, Wear-Leveling, Security
- Hot-DL (2009), LSTAFF* (2009), EAST (2008), PORCE (2008), STAFF (2007), FAST (2007), SSFTL (2002), SSR (2001?), ...

File System

- Technologies: Security, Efficiency
- TFS (2001?), Log Based (1995)

Database System

- Technologies: Storage Manager, Buffer Manager, Query Processing, Indexing
- IPL (2007), BFTL (2004)
